The image displays two sequential screenshots of a web browser showing the 'W3Schools SQL Quiz Results' page. The browser's address bar shows the URL 'https://www.w3schools.com/quiztest/result.asp'. The page features a sidebar on the left with a 'W3Schools Quizzes' section listing various topics like HOME, HTML, CSS, JavaScript, SQL, Python, Java, PHP, etc. The main content area displays a list of quiz questions. In the top screenshot, questions 15, 16, and 17 are visible. Question 15 is marked as correct with a green checkmark. Question 16 is also correct. Question 17 is marked as incorrect with a red X. The bottom screenshot shows questions 17, 18, and 19. Question 17 is incorrect. Question 18 is correct. Question 19 is incorrect. On the right side of the page, there is an advertisement titled 'How do I clean my arteries?' featuring an illustration of a man and text about vascular diseases. The browser's taskbar at the bottom shows the Windows logo, a search bar, and several open applications.
